I don't think we can take anymore.

Let's... give up...

Then what about our Seola!
We avoided people to move here with Seola, we avoided everyone this whole time!
Do you think Seola can live a normal life amongst other people?
She will be called a freak and be pointed at her whole life!!

YOMANGA.CO

Are thinking about that aren't you.
Yeah... The day she was born... our lives had already ended.
The curse on Seola... that was curse on us.
Do you remember? The promise we made that day.

YOMANGA.CO

If we can't protect Seola anymore...
